The walking school bus is open to all students and parents, and we would like to increase participation this year. Teacher volunteers have been assigned to each of the "Bus Stops" to help kids get to school safely. Walking school bus works by students walking to or being dropped off at one of the 5 "Walking School Bus Stops." Students should arrive at their designated stop no later than 8:00am, but **are welcome to join the walking school bus along the route as it passes by**. At each stop there will be several teacher volunteers by 7:55am. The adults will be in charge of walking the students from the bus stop to school by following a route designed by the Safe Routes to School Program. Students will receive a walking club charm for their participation. Join us for some fun social exercise to energize bodies and brains for a day of learning.

*****In the event of inclement weather we will cancel the Walking School Bus and revert to a normal inside walking club day at Neihardt.**

Why Sweet Cases?

When most children enter foster care, they receive two trash bags to hold all their belongings. Sweet Cases for Sweet Faces is an Omaha based community fundraiser that has partnered with

"Together We Rise" a 501(c)3 organization dedicated to improving that situation through what they call "Sweet Cases."

A Sweet

Case is a

duffel bag with a hygiene kit, blanket, teddy bear, coloring book and crayons. Each bag cost \$25 to build and 100% of the money raised stays right
